

K-Love serves me as a resident in my community by the encouraging words and songs I hear daily, and in turn I encourage others in our community. I receive an immeasurable blessing from K-Love.

If K-Love were to be displaced by an LPFM broadcaster, the effect could be very depressing. Everyone who I know listens to K-Love has a positive attitude that is contagious. Without K-Love, the joyful spirit from within could not be fed as much.

K-Love's service is in the public interest because of the positive attitudes that develop and carryover in the work place and at home. In addition, all the services K-Love offers, like 24 hour prayer service and counseling are blessing Americans all over the country. K-Love is a huge part of my life; God Bless K-Love, please don't take it away.
